Winter Math

The Peaceful Nest

Thank you so much for purchasing the Winter Math Pack for Kids. I hope it your kids enjoy using it as they reinforce their number recognition and counting skills. Within this pack you will find 15 pages of counting, addition, and subtraction.

To use this pack, print the amount of pages that you would like, and then either assemble them together or give them individually to your kids or students.

This Winter Math Pack is the property of Jenna Jury and the Peaceful Nest Blog. It is for personal use only. You are not permitted to resale as your own.

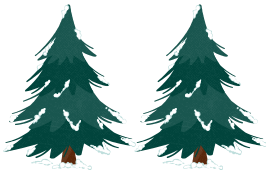

Winter Counting

Count how many items there are and then write the number.

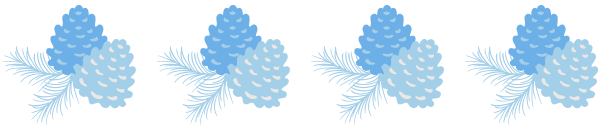

Winter Counting

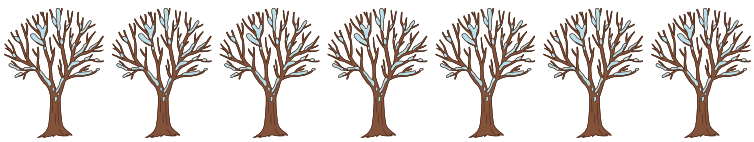

Count how many items there are and then write the number.
